

## Mountaineer Transit Company Dog Policy

### For Dog Owners:

- Dogs should be in voice command at all times
- Dogs should be on leash at all times
- Dogs should remain on the floor of the vehicle at all times
- Dogs are to be current on all vaccinations
- Owners take the responsibility and the liability of their dog's behavior
- If the dog has a history of poor behavior, ie aggression towards people of any kind, is a puppy that is not potty trained, or any other behavior that potentially could intimidate, bother or harm a Mountaineer passenger(s) or driver, the dog owner should not travel with their dog on Mountaineer.

### For Other Passengers:

- Passengers should not touch or engage with another passenger's dog while traveling in Mountaineer vehicles unless the dog owner approves it
- Passengers that touch or engage with another passenger's dog do so at their own risk
